Slim, stylish, hygienic,
automatic hand gel
dispensing stations

Sterizen®

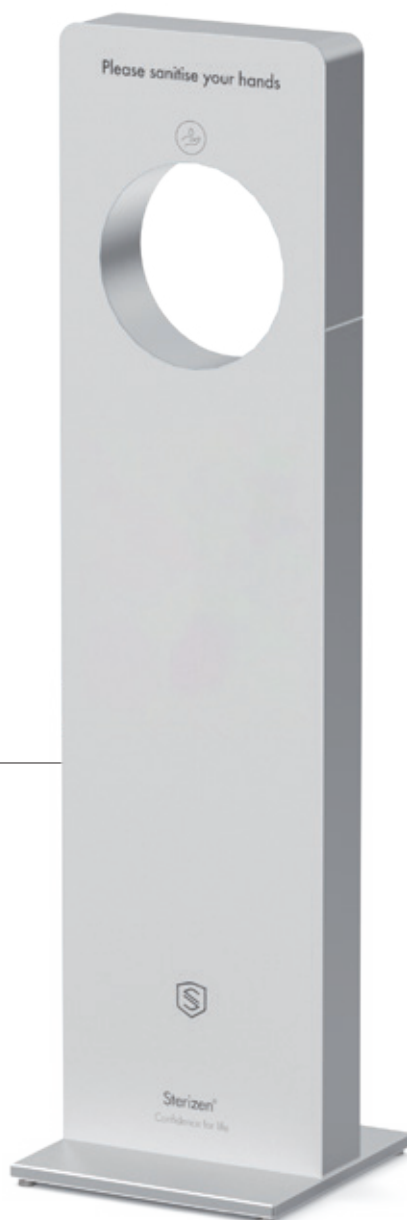

Introducing the all-new,
touchless hand gel sanitising
station from Sterizen®.

High impact.
Low maintenance.

x4

Mono dispense

x5

Duo dispense

A modern office hallway with a staircase on the left and a seating area at the end. The hallway is lit by warm, cylindrical pendant lights. The walls are dark, and the floor is a light-colored wood. A large, abstract artwork is visible on the wall to the left.

With **premium aesthetics** and customisable graphics, the X-range dispensers give you the opportunity to **keep people safe** at your entrances whilst taking your **brand experience** to a new level.

OUT

Sterizen®

Please sanitise your hands

buggOUT hand sanitising gels are kind to skin and smell good too.

Perfectly sized, 1 litre, no mess refill bottles designed to fit Sterizen® hand gel sanitising stations.

- Choose from 4 scents
- High-performance gel with 70% alcohol content
- Certified to kill 99.999% of all bacteria
- Clean, non-sticky to leave your hands silky smooth
- Kind to skin with added moisturisers
- WHO recommended formula

Recommended by:
World Health Organisation

Optional accessories

Increase the versatility of your X-range dispensers with these optional accessories.

Optional powerpack for mains power

For permanent installations, consider connecting the dispensers to the mains to prevent the need to change batteries.

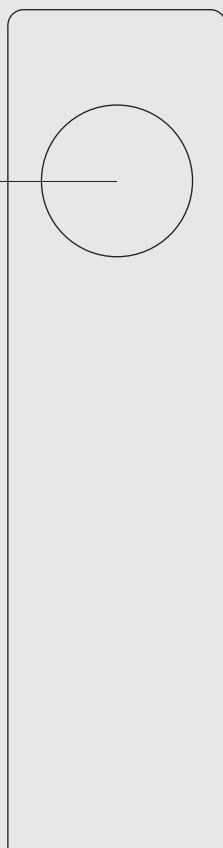

Floor fixing kit

If you're concerned about the dispenser being knocked over or inadvertently moved, particularly in high traffic areas, this floor plate provides the perfect solution.
